Your child deserves a memorable birthday party and we can provide just the solution! We individually tailor each birthday party to suit the birthday children and their friends to ensure an unforgettable experience for all! We offer a wide range of party themes at some of the best venues in London.

We also believe birthday parties should be a stress free and enjoyable experience for the parents and we therefore offer a range of party packages including our full service Super Stars Package where parents can sit back and enjoy the party.

≡ PARTY TYPES: ≡

MULTI-SPORT

MULTI-SPORT

The absolute classic and most popular Rising Stars party theme, this is perfect for boys & girls! Games include favorites such as dodgeball, invasion games, running games, ball games and parachute games which is then followed by our infamous Superstars sports circuit. Superstars can include football, archery, nerf guns, basketball, hockey, gymnastics and more! The whole party is backed up by the best party tunes, and games can be tailored to suit the birthday child and their friends. Recommended age 4+

FOOTBALL

FOOTBALL

Keep it simple and trust the 'beautiful game'. The Rising Stars football themed party consists of a coaches v kids football match, football tournaments, numbers games, lightning penalties and big finals matches. The football theme can be combined with other themes as well. Recommended age 5+

NERF GUNS
(YEAR 3 +)

NERF GUNS

Are you ready to do battle? Children will be supplied with a camouflage vest, protective eye goggles and an elite nerf gun so they are ready for action! Games include shooting targets, nerf gun bulldog, capture the flag, numbers games, last one standing and team battles. Barricades will also be used so kids can hide, duck and take cover during the games. Recommended age 7+

FOOTBALL ZORBING
(YEAR 4 +)

FOOTBALL ZORBING / ZORBING

One for the 'daredevils', zorbing certainly isn't one for the faint hearted. Children get wrapped up in giant bubble balls and can go crashing into one another... but thankfully they are well protected and will be back up on their feet in no time! Combining football and zorbing is a match made in heaven, but we also offer general zorbing parties that are less football and more sumo competitions and last one standing. Recommended age 8+

GAMING

GAMING

The Rising Stars gaming parties take place on 92 INCH SCREENS to ensure this is an unforgettable experience for all attendees! Consoles include PS4, XBOX and Nintendo Switch with favorite games such as FIFA, Mario Kart, Just Dance, Minecraft & Rocket League. All games are multiplayer so everyone can be involved and join in on the fun. Our portable screens means we can take this party theme to any venue of your choice, even your own home! Recommended age 8+

SWIMMING

SWIMMING

The American School in St Johns Wood plays host to the Rising Stars swim parties and there truly is no better venue in London. We have full use of the 25 meter swimming pool and our pool parties consist of structured swimming games such as cross the river, water musical statues and water polo, followed by a free play section with giant floats, noodles, sinkers and use of the diving blocks. Adult to children ratios are required in the water for children aged 5 - 7 years old. Recommend age 5+

MUSICAL GAMES & DISCO

MUSICAL GAMES & DISCO

Time to get your dancing shoes on and join the Rising Stars Disco party! Lights are turned down and disco lights turned up - ready for the ultimate dance party. Favorite disco games such as the limbo, musical statues, musical chairs, musical bumps, dance competitions and numbers game are all included. This theme can be combined with other themes as well. Recommended age 5+

SPORT SPECIFIC
DODGEBALL, CRICKET, NETBALL ETC

SPORTS SPECIFIC

Love a certain sport and just want to focus on that? We can offer cricket, netball, dodgeball, hockey, rounders, rugby and any other sport that you can think of! Recommended age 8+

QUIDDITCH

QUIDDITCH

Originally from the Harry Potter series, Quidditch has grown from the USA to become a global sport that is played by thousands of people. It is a fast paced game involving chasers, beaters, keepers, seekers, quaffles, bludgers and a snitch. Something a bit different from the traditional UK sports but certainly worth giving a go! Recommended age 8+

**MINI OLYMPIC
SCHOOL SPORTS DAY**

MINI OLYMPICS / SCHOOL SPORTS DAY

The perfect blend of traditional races and competitions, added with some new favorites. Games include sac race, egg & spoon, javelin, standing long jump, sprints & relays, as well as an Olympic themed sports circuit. Recommended age 5+

“ My son had a football party with Rising stars and he absolutely loved every minute! Elliot is fantastic and managed perfectly a large group of 8 years old!. All the boys had a fantastic time and we had lots of compliments of the party! Highly recommend ”

Serena L

Verified Buyer

“ I cannot thank Eliot and his team enough for helping to make our Bar Mitzvah celebration such a success! Eliot came personally recommended and I cannot rate his company more highly. A truly personalised service from beginning to end. Starting with advising on venues, the specifics of the entertainment, meeting up at the venue and advising on the hire of games most suited to the space and the age group of the children, planning the running order of the evening and supervision of the children, and being able to work together with the owner of the venue to ensure all ran smoothly. I felt in safe hands being able to rely on Eliot whose reassuring, calm and dedicated presence throughout the planning and on the night itself, enabled us all to have a fantastic celebration. ”

Anahid K
