Trusted Sports Clubs and Wraparound Provision for Primary Schools

Rising Stars delivers high-quality breakfast clubs, lunchtime clubs, after-school clubs and wraparound care for schools across London.

We help schools provide active, engaging and dependable provision throughout the week.

Why schools choose Rising Stars

★ **Reliable delivery**

Consistent, high-quality provision from a professional and energetic team.

★ **Engaging sessions**

Well-structured clubs that children genuinely enjoy.

★ **Support for schools and families**

Provision that supports pupils, parents and staff.

What they say about us

“

Rising Stars is our most popular after school sports club at UCS Pre-Prep and the increase in physical activity and stamina has had a most positive effect on the children. They really look forward to each session and gain an immense amount from the specialist coaching on offer.

Zoe Dunn, UCS Pre-Prep Head Mistress
